# What We Sell

## Erectile Dysfunction Products

Erectile Dysfunction is the inability to maintain an erection sufficient for sexual intercourse. It affects millions of men worldwide.

We have a variety of **creams and gels** available that have been proven to assist with creating and maintaining an erection. Both our **Black Label Penis Power Cream** and **Red Label Penis Power Gel** encourage blood flow into the penis, which in turn aids the erection process. **Potence Plus Gold Cream** is a brand new scientifically proven erection cream and is a real sensation. **Largo Gold Gel** is the ultimate penis gel and has been featured in Men's Health and Ice magazines - it is arguably the finest all-round penis enlargement, erection and conditioning gel.

Many Erectile Dysfunction clinics around the world actively promote the use of **Vacuum Developers** as a means of treatment. **Vacuum Developers** are highly effective in producing an erection, which is retained by the use of a **Penis Ring** enabling the new erection to be put to the desired use.

## Penis Enlargement Products

Many men feel embarrassed or anxious about the size of their penis at some point in their lives.

We have a number of penis enlargement products and treatments available that do not involve invasive surgery - **please see page 34 for more information.**

## Potency and Sexual Stamina Products

Our solutions for male potency enhancement are specially designed to help men boost their sexual stamina and performance when it really matters.

Our amazing **Sustain Performance Gel** is designed both to enhance your erection and allow you to last longer than ever before. Potency enhancers such as **Natura-Viga** and **Super Natura-Viga** serve to increase libido and increase your body's sexual stamina, while **Gold MAX** is a completely safe and effective herbal viagra substitute that works just as effectively with no side effects.

For ladies, our **Orgasm Plus Gel** is specifically formulated to enhance blood flow and sensitivity in the female genitalia, which in turn helps bring a woman to new heights of orgasmic intensity.

## Sex Aids, Toys, Dvds

We also offer a selection of sex dolls, male masturbators, dildos, vibrators, rabbits, bullets, condoms and much more, with lots of bargain basement priced items. A nice variety too of hardcore uncensored adult dvds.

# Penis Size & Enlargement

Natural penis enlargement is not a myth. It will work for most men - you only need use the right products and be guided to your ultimate goal in a clear and concise manner. Used thoroughly and consistently it is virtually certain that our penis enlargement products can help you - just like they have helped thousands of men before you. These methods and techniques have been tested time and time again and have been found to work in almost every case. There are three proven methods of enlarging your penis:

## Vacuum Therapy

**Vacuum Developers** work by inserting the flaccid penis into the cylinder and pumping until an erect penis is achieved.

By repeatedly drawing a vacuum until the penis is larger than usual, then releasing it, you are training your penis to accept a greater supply of blood. Over a course of time, the penis expands its capacity for blood flow and it is built up rather like bodybuilding. With regular use, potency is also enhanced resulting in a longer, stronger and hotter erection. You will find our range of **Vacuum Developers** on pages 35 to 37.

## Traction Devices

If a certain part of the body is exposed to a constant permanent stretch, the cells in this area

begin dividing and multiplying, and hence the tissue mass increases.

This is the natural principle behind penis traction devices such as the best selling **Andropenis System** (page 38) and **Male Edge** (page 39).

## Weight Devices

Weight Devices mainly affect the length of the penis, although the girth does increase proportionately.

The results are permanent. Weight hanging is perhaps the oldest penis enlargement method, originally carried out by tribes centuries ago. Nowadays, there are various penis weight devices - the best of which is the **SUPERstretch 2** (page 40) which allows you to safely and permanently increase the size of the penis by stretching the suspensory ligaments.

### Which method would suit you:

# Bathmate

The Bathmate penis pump is the world's first water-based device for enlarging the penis, with instant sustainable results - and it's a whole lot of fun too! The device is filled with water and placed over the penis, sealing at the base against your body. The gaiter acts as both a seal and as the pump mechanism. As you compress the device against your body, excess water is expelled causing a hydro vacuum which is much stronger than you could create with an air based vacuum pump. Over time it is thought that most individuals can gain between 1-3 inches in length with a 25% increase in girth!

# XLsucker

Now it's easier than ever to pump your cock to a bigger and better size! The XLsucker range of Penis Pumps comprise of a plastic cylinder that fits over your penis and helps you get an erection - or a bigger erection - by suction. As the air in the cylinder is sucked out, the vacuum pulls your penis into the cylinder and more blood rushes into the penis. After removing the cylinder, the result is a temporarily bigger dick and a more impressive erection! Built to add length and girth to the penis, or to achieve and maintain an erection, your XLsucker creates a vacuum in the chamber which then draws blood to the penis making it larger. Pump users usually report an increase in their length or girth after regular penis pump usage.

# AndroPenis - Scientifically Proven Enlargement

The **AndroPenis System** is a proven medical device that works on the principle of traction - exerting a gentle, progressive and constant tension on the penis which then causes the tissue to grow by cell multiplication.

The **AndroPenis** is safe and easy to use. It is worn on the penis and fits painlessly, cannot be seen under boxer shorts or loose fitting clothing, and may be worn while walking, sitting and standing.

The **AndroPenis** has helped men all over the world to increase the length and girth of their penis. Used as instructed it increases your size with no effect on urination, fertility or erection performance. The **AndroPenis** has been tested and evaluated in many scientific studies and has been proven to increase penis length by up to 4cm and girth by 1cm.

It is backed by an international health certification, and each device comes with a comprehensive instruction manual and dvd.

Over time, the traction stretching system spurs the growth of additional penile tissue. At the beginning you will notice a slight thickening of the penis and then a growth in length that will be mostly evident in the flaccid state and later on in erection. Estimated growth of up to 0.2 inches (0.5cm) per month is possible, and the results are cumulative and permanent.

# Male Edge

When you use the **Male Edge** penis enlarger, you are guaranteed to make your penis bigger. That's because it relies on a simple yet effective enlargement method known as traction, which is clinically proven to increase both length and girth.

Penis traction is a safe and painless technique that results in permanent penis growth. In many cases, men using the Male Edge penis enlarger increase the length of their penis by as much as 2 or 3 inches. Comfortable, affordable and recommended by doctors, the Male Edge penis enlarger is the number one product for men looking to add inches to their penis.

Traction works by applying a steady stretch to the shaft of the penis. This causes tissue cells to divide and multiply - a well-known process called cytokinesis. Over time, this results in new tissue

growth throughout the penis, making you visibly longer and thicker in a matter of weeks or months. With the traction-based Male Edge penis enlarger, you decide how much traction you apply to your penis. You also decide how long you wear the penis enlarger for. The more you wear your penis enlarger, the bigger you'll grow - and as soon as you're happy with your new length/girth, you can simply stop using it. Ultimately, you set your own goals for penis enlargement - and the Male Edge penis enlarger will help you achieve them.

## Male Edge Basic ▼

# SUPERstretch 2 - Penis Enlargement System

Most penis developers allow your penis to reach its elastic limit by the use of a vacuum or by stretching. **SUPERstretch 2** however goes one step further and combines the two.

STEP 1

STEP 2

STEP 3

STEP 4

How does it work? **SUPERstretch 2** stretches your penis beyond its normal elastic limit, thereby achieving permanent growth. This is achieved by creating a very powerful vacuum through an internal sleeve and then hanging weights on the outer flask of the developer to stretch the penis ligaments permanently.

Claiming to give you an extra 2+ inches in penis length over time, and increased girth too, the **SUPERstretch 2 Penis Enlargement System** is a must-have for those looking to achieve a bigger thicker penis. The system includes a beautifully made vacuum developer with a heavy duty trigger pump. This allows you to precisely increase the pressure and achieve a much stronger pressure than regular suction bulb penis pumps. There is also an accurate pressure gauge so you can see just how strong the pressure on your penis is. Once you have pumped up your penis, you attach weight to the end of the pump by using the water bag provided. This allows you to really increase the length and strength of your penis.

By following the instructions and using the system for one hour a day, you will begin to notice a permanent size difference in just a couple of months.

# Trigger Pumps, Seals, & Developer Spare Parts

Our Plastic Trigger Pump is made in the UK to very high medical standards - it can actually be found in everyday use in UK hospitals.

from **£25**

- More powerful • Medical quality
- Pressure gauge option and release valve

## Harder, bigger and more powerful erections

Although the traditional ball pumps supplied with Standard, Maxitone and Vibrating Power Pumps are usually more than ample for most users to create the strength of erection that they seek, we are constantly asked for a stronger pump, preferably of the Trigger variety.

A Trigger Pump will create harder, bigger and more powerful erections, as they are capable of creating much greater vacuum pressures within the vacuum cylinder itself.

## The versatile choice

These pumps are of excellent quality and are both light and easy to use. All pumps have a push button release valve and a pressure gauge is available as an option.

They can be purchased as a stand alone device as a compliment to your existing developer at the prices below, or (on our website) as an upgrade to our Standard, Oversized, or Maxitone pumps at the time of initial purchase.

## DELIVERY:

### Standard Delivery

Standard Delivery is by Royal Mail at a cost of £5.00 per order. Please allow time for cheques to clear and then allow 5-7 days for your package to arrive.

### FREE Delivery Offer

If you pay by UK cheque, UK postal order or cash and your order value is £30 or more, our Standard Delivery is FREE. Due to processing costs we regret that the **free delivery offer does not apply to any credit/debit card orders.**

### Courier Delivery

We offer a 2-4 day courier delivery service for a charge of £12 per order. You will need to be at home to sign for delivery with this service. However if you include your telephone number on the order form in the space provided, the courier company will be able to contact you to arrange delivery.

## Overseas Orders

We are happy to fill orders from outside the UK. However please add the Courier Delivery surcharge of £12.00 per order to cover postage.

## Confidentiality

We pride ourselves on customer service and confidentiality. All items are sent under plain cover in unmarked envelopes, boxes, or securely sealed jiffy bags.

## DVDs

Our DVDs contain full uncensored hardcore sex. You must certify on the order form that you are over 18. Please do not order DVDs if you are offended by uncut sexual action.

## Returns

Please note that for reasons of hygiene and to follow health regulations, we cannot accept returns on any item that has been used or does not have its shrink wrapping intact. All items must still have their tags and labels and must be returned with their original packaging.
