

ST117

A romantic couple embracing in bed. The woman, with blonde hair, is wearing a black bra and matching underwear. She is smiling and looking at the man. The man, with brown hair and a beard, is shirtless and looking back at her. They are sitting on a bed with white linens. The background is softly blurred, suggesting a bedroom setting with light coming from a window.

XL Sucker Pumps

Now it's easier than ever to pump your cock to a bigger and better size! The **XL Sucker** range of Penis Pumps comprise of a plastic cylinder that fits over your penis and helps you get an erection - or a bigger erection - by suction. As the air in the cylinder is sucked out, the vacuum pulls your penis into the cylinder and more blood rushes into the penis. After removing the cylinder, the result is a temporarily bigger dick and a more impressive erection! Built to add length and girth to the penis, or to achieve and maintain an erection, your XL Sucker creates a vacuum in the chamber which then draws blood to the penis making it larger. Pump users usually report an increase in their length or girth after regular penis pump usage.

Bathmate

The **Bathmate** penis pump is the world's first water-based device for enlarging the penis, with instant sustainable results - and it's a whole lot of fun too! The device is filled with water and placed over the penis, sealing at the base against your body. The gaiter acts as both a seal and as the pump mechanism. As you compress the device against your body, excess water is expelled causing a hydro vacuum which is much stronger than you could create with an air based vacuum pump. Over time it is thought that most individuals can gain between 1-3 inches in length with a 25% increase in girth!

Knowing of CLP's long lasting properties, the founder greatly improved on this concept by changing the ingredients to a hypoallergenic, topically safe, user-friendly formula, ideally suited for heightening sexual pleasure when used for intercourse or personal use. The result is a selection of unsurpassed Gun Oil products that always deliver a highly satisfying experience and elevate the vital expression of masculine fulfillment.

INSIGHTS

Despite regularly being featured on chat shows, the transgendered are among the most misunderstood people in our community. This collection of writings gives an insight into the discrete world of transvestites and transsexuals. It reveals their fears, guilt and compulsions, whilst also considering the impact they have on others – families, friends, colleagues, employers and those in authority. An essential guide for anyone considering setting out on the transsexual road, it provides a much needed dash of reality based on a combination of direct experience and careful observation.

THE IMPORTANT STEP

How I Became A Transsexual Prostitute
The third novel by Nadine Distelmaier, takes us from Wales to her hometown in the Midlands, family matters, old friendships and love affairs re-kindled. Lots of outdoor sex at locations which really do exist even today. As well as giving many Men and Women the benefit of her sexual prowess, she has to make a BIG decision. What will she do, stay in Germany? Take the chance of a lifetime?
