# XL Sucker Pumps

Now it's easier than ever to pump your cock to a bigger and better size! The **XL Sucker** range of Penis Pumps comprise of a plastic cylinder that fits over your penis and helps you get an erection - or a bigger erection - by suction. As the air in the cylinder is sucked out, the vacuum pulls your penis into the cylinder and more blood rushes into the penis. After removing the cylinder, the result is a temporarily bigger dick and a more impressive erection! Built to add length and girth to the penis, or to achieve and maintain an erection, your XL Sucker creates a vacuum in the chamber which then draws blood to the penis making it larger. Pump users usually report an increase in their length or girth after regular penis pump usage.

# Bathmate

The **Bathmate** penis pump is the world's first water-based device for enlarging the penis, with instant sustainable results - and it's a whole lot of fun too! The device is filled with water and placed over the penis, sealing at the base against your body. The gaiter acts as both a seal and as the pump mechanism. As you compress the device against your body, excess water is expelled causing a hydro vacuum which is much stronger than you could create with an air based vacuum pump. Over time it is thought that most individuals can gain between 1-3 inches in length with a 25% increase in girth!

## TRANSVESTITE FICTION

**NWL #34 - Louis Big Mistake**

In 'Louis's Big Mistake' Louis made a couple of mistakes. He didn't tell his wife about his secret desires, he would 'raid' her panty draw as soon as she was out of the house but his biggest mistake was in thinking his wife didn't know about his little habits.

**NWL #35 - But Darling, You Know You Can Trust Me**

She knew about my crossdressing right from the start and she made it clear she wanted no part of it. Why then was suddenly starting to encourage it? Why did she want me to get my ears pierced and my hair permed? The many questions all became clear when she started me dating men and she other women.

**NWL #36 - A Cure For Hypertension**

It started with a trip to the doctor, he had Hypertension and Janet had her very own cure for it. Perhaps if he had known the cure would change his life forever and that he would finish up as a feminised sex slut she-male he would have stopped it, but then again maybe not!
